

# Tubo Evo

The wallwasher that happily does different jobs, Tubo Evo equally serves interiors and exteriors. Its mechanical design allows complete control over its orientation.

Choose between spot, flood or elliptical, and Tubo Evo's high resistance and visible PCBA will demonstrate why it's an excellent multitasker.

# Tubo Evo

## Body

Tubular shock-resistant (IK08) clear polycarbonate diffuser with 70mm diameter.

## Anti-condensation system

System comprising a valve that prevents condensation within the luminaire without affecting its high level of protection.

## End caps

End caps in clear polycarbonate with marked installation angles for easy adjustment.

## Modules

O/M LED modules with excellent colour consistency (3 step-MacAdam) and long operating lifespan (>50.000h; L80/B10).

## Accessories

Fitting accessories are intended for surface-mounted application of the luminaire.

## Dimmable

Controlling intensity is easy using a DALI dimming system.

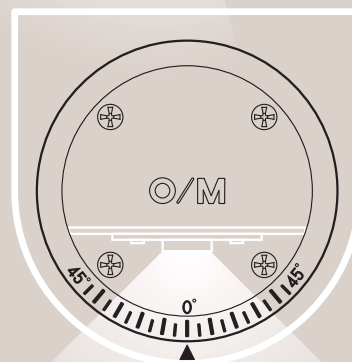

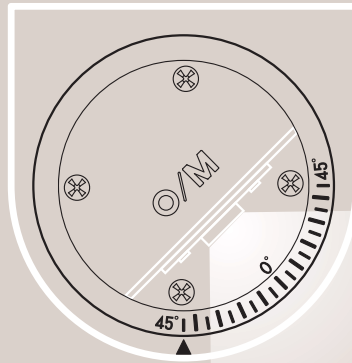

# Tubo Evo

**High impact resistance**  
High protection against mechanical impacts, IK08.

Complete control over orientation with the end caps in clear polycarbonate with marked installation angles.

Spot 14°

Flood 34°

Elliptical 27°x41°
