FOR 40 YEARS,
ESSE-CI HAS BEEN
THE EVOLUTION
OF LIGHTING DESIGN.

LIGHT AS OUR **CALLING**, LIGHT AS OUR **EXPRESSION**, LIGHT AS THE **DRIVING FORCE BEHIND CHANGE** AND A **VALUE THAT ALLOWS US TO MAKE A DIFFERENCE** FOR OUR CLIENTS.

LIVING LIGHT,
DARING DESIGN

We are a constantly evolving company that designs and manufactures design-led lighting solutions for both indoor and outdoor environments. We combine superior technical performance, energy efficiency, and a modern, elegant style.

Our solutions illuminate and enhance all kinds of spaces, from public infrastructure to major architectural projects, meeting the needs of offices, retail spaces, museums, and more.

Dare to be
expert

We've been illuminating the world since 1984: over the past **40 years, we've gained the experience and know-how** to tackle any new project.

Dare to be
innovative

Innovation is at the heart of our design philosophy: our daily commitment to **technological and stylistic research** allows us to create ever more advanced solutions.

Dare to be
inspired

We shape our design ideas by drawing inspiration from the world of lighting, architecture, and design.

Dare to be
specialized

We have **specific expertise in architectural lighting**, which has allowed us to contribute to prestigious national and international projects.

Dare to be
custom

Product **customisation** is always an exciting challenge: it enhances our ability to evolve in harmony with **customer requests and market trends**.

Dare to be
excellent

Behind our products lie the **meticulous attention to detail** of a craftsman's workshop, the **precision of the most advanced technologies**, and the guarantee of **rigorous quality control** at every stage of production.

Dare to be
global

Esse-Ci's light travels all over the world: we export our products, proudly **Made in Italy, to Europe, Africa, the Middle East, East Asia, and North America**.

Dare to be
safe

We design our solutions by choosing **the most innovative and safe technologies** available, favouring high-quality LEDs that emit light free from IR or UV radiation.

**YOUR LIGHT HAS ENDLESS
CREATIVE POSSIBILITIES**

*Dare to be
coloured*

From classic, elegant colours to those inspired by nature, every Esse-Ci product can be customised with a range of colour and finish combinations.
